Thank you for leaving a legacy for wildlife.  
We deeply appreciate your commitment to the future of wild animals and wild places.  

Please turn over the page to see “Our Commitment to You.”
Our Commitment to You

1. We understand and support the notion that your family may come first.
2. We are proud of our efficiency and effectiveness. We will apply both to your legacy gift.
3. We respect your privacy. Your Will is a very personal document.
4. While we encourage our loyal supporters to remember wildlife in their Will, we recognize that you will make this decision in your own way and at your own time.
5. We like to know that you have left a gift to wildlife in your Will so we can recognize your generosity. Whether you tell us or not is up to you.
6. If you do tell us, we can talk with you about areas of our work which particularly interest you.
7. We will provide you and your family special opportunities to learn about our work on wild animals and wild places.
8. We will respond as soon as we can to your questions. Please contact David Love by writing him at address below, by calling him on (416) 489-4567 X 7242 or 1-800-267-2632 or by emailing him at dlove@wwfcanada.org

Thank You for Your Legacy Gift to Wildlife through WWF-Canada
