

This is what you make possible

Our Donors and Supporters

Our work at WWF is made possible through the generous investments of individual donors, corporate partners, foundations, governments, organizations, and dedicated volunteers. The following pages recognize those who have contributed more than \$1,000 in support—through financial donations, sponsorship, donated media, advertising, and other gifts-in-kind—between July 1, 2012, and June 30, 2013. We are deeply grateful for your trust and commitment.

NOTE

A plus sign (+) following a name recognizes in-kind or in-kind plus cash donations.

An asterisk (*) following a name recognizes sponsorship or sponsorship plus cash donations.

A degree symbol (°) following a name recognizes that this gift, or a portion of it, matches employee contributions.

Gifts received after June 30, 2013, will be gratefully acknowledged in the 2014 Annual Review.
